March 17, 2020

Dear Students, Staff, Families and the Sutter Community,

Thank you for your patience during this very interesting time. I wanted to share some information with everyone to keep you up to date and informed.

Today we met as a staff as how to continue to provide students with the best possible education during these extenuating circumstances. Each department worked together and will continue to work together to provide students with essential assignments that keeps all of them on track towards graduation.

Starting on Monday, March 23 teachers will be sending out communications to students and parents with regard to work that needs to be completed while we are out of school. While we are not in session, students will be assigned work on Monday and it will be due on Friday of each week. Teachers will be notifying families through Aeries and/or Google classroom. Once you receive your first communications if you have any questions please email teachers directly. Teachers will be available Monday-Friday for parents and students to answer questions through email.

The Office and Career Counseling Center will remain open daily from 9:00am-3:00pm and will be closed for lunch from 12:00pm-1:00pm. The office will be closed for its regularly scheduled spring break from April 10-April 17 and will resume regular school hours on April 20.

Our district will continue to inform our school families and keep them updated of any possible changes to our current schedule. Please continue to check your email and the Sutter Huskies website at www.sutterhuskies.com
Thank you for your support at this ever-changing time.

Sincerely,

Rick Giovannoni
Director of Student Service
