## July Newsletter

From the Superintendent/Principal.....

July 2018

Volume XVI, Number 1

Dear Parents,

The start of Sutter Union High School's 2018/2019 school year is just a few short weeks away. We have had a very busy and very productive summer getting our campus ready for our students and our staff. We are looking forward to another outstanding year.

### STUDENT/PARENT INFORMATION BOOKLET

We have routinely mailed Student/Parent Information Booklets to registered students in July. These information booklets contain parent/student notifications, school information, district rules, regulations and procedures necessary to ensure that Sutter Union High School continues to provide the best possible learning environment and educational experience for all of our students. This year information formally provided in the Student/Parent Information Booklet will be provided on our school and district website: [www.sutterhuskies.com](http://www.sutterhuskies.com)

### FIRST DAY OF SCHOOL PACKET

All students will still receive an information packet the first day of school during their first period class. The information included in this packet will be each student's first homework assignment. **Three items in the packet are required to be signed by parents and students and returned to their first period teacher the second day of school.** These items are the Emergency Information and Student/Parent Notification of Rights and Responsibilities (Double Sided) card, Student Residency Questionnaire and Free/Reduced Lunch Application.

### NEW WEBSITE

Sutter Union High School District has three new websites with specific information about our District, Sutter Union High School and Butte View High School. The three websites are connected to each other and can be found at the following web address: [www.sutterhuskies.com](http://www.sutterhuskies.com)

### MINIMIZE STUDENT ABSENCES

The 2018-2019 Calendar is enclosed. It contains important dates including progress notices, quarter endings, student non-attendance days and legal/observed holidays. You will find this calendar invaluable in the planning of dental/doctor appointments and vacations.

### DRIVER'S TRAINING

Sutter Union High School is the only high school in the Yuba Sutter area that offers behind the wheel driver training. We will continue to provide Driver Training as a service for students our our district for the 2018/2019 school year. This program is designed to be a break even budget program. The fee for Driver Training is \$176.00.

I am looking forward to the return of our students on Monday, August 13th. We are going to have a great year.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ryan Robison'.

Ryan Robison  
Superintendent/Principal
