Dear Students and Parents:

The staff of Sutter Union High School is eagerly awaiting the start of the **2018-2019** school year. The school year begins on **August 13, 2018**. In a continuing effort to improve the educational experience for our students, we have organized information that is essential for successful school experience. We encourage all parents to read the following information and go over it with their student.

As society changes, schools are constantly being challenged to provide a safe learning environment. We feel it is necessary to build a safe learning environment without being so restrictive that learning is limited. A balanced educational approach offers students a greater chance for success.

The Sutter High School staff builds upon the traditional values of high moral and academic standards, consistently adhered to by the administration, staff, and students alike to produce a school that is a learning organization.

We believe that good citizenship, good attendance and honest effort by students in their academic and vocational classes will result in success. Also, we encourage all students to participate in a variety of extracurricular school activities so that their school experience will be both beneficial and rewarding.

We look forward to working with parents and students attending our district in maintaining high educational and personal standards. If you have any questions, please call Sutter Union High School, **(530) 822-5161**. Also check our web site at **www.sutterhuskies.com**.

Best wishes to each parent and student for a successful school year.

Sincerely,

Ryan Robison
District Superintendent/Principal

CALIFORNIA GUN FREE SCHOOL ZONE LAWS

Dear Parents/Guardians:

Subject: Possession of Guns at School or at School Activities

Introduction. In a continuing effort to provide a safe school environment for your child, I am writing to call your attention to the laws and District policy that strictly prohibit students from having guns at school or at school activities.

This letter summarizes the laws and Board policies on suspension and expulsion of students for firearms offenses, and the *Gun-Free School Zone Laws* which makes it a criminal offense to have a firearm on or within 1,000 feet of the grounds of a school.

The District makes every effort to notify all students of the rules against firearms at school, through instruction in each classroom and through the student handbook which each student receives. I strongly urge parents and guardians to make sure their students know the rules against firearms at school and the severe penalties that will be imposed on students who violate those rules.

Possession of Firearm - Suspension and Expulsion. The principal shall immediately suspend any pupil found to be in possession, selling or otherwise furnishing a firearm at a school or a school activity off school grounds and shall recommend expulsion for one calendar year of that pupil to the Board. The occurrence shall be reported to the appropriate local law enforcement authorities. The Board shall expel the pupil and request the County Board of Education to enroll the pupil in a community school.

Time and Place of Offense. A student may be suspended or expelled for acts related to school activity or attendance that occur at any time, including but not limited to (1) while on school grounds, (2) while going to or coming from school, (3) during lunch period on or off campus, (4) during or while going to or coming from school sponsored activity.

Subsequent Enrollment in Another School. A pupil who is expelled for a firearms offense cannot enroll in another school district without informing that district of the expulsion, and the new district may deny enrollment if it determines that the student “possesses a potential danger” to its pupils or employees.

Criminal Offenses. School officials must notify law enforcement authorities of any acts of a student that may violate the *California Gun-Free School Zone Act*. Under this Act **any person** who possesses a firearm in a place that he or she knows or reasonably should know is a school zone (within 1,000 feet of a school), shall be punished by imprisonment in the state prison for two, three or five years.

If you have any questions regarding letter, please contact me at **822-5161 x 205**.

Sincerely,

Ryan Robison
District Superintendent/Principal

It is the District's intention to continue operating procedures as established unless notified by the student or his/her family.

UNIFORM COMPLAINT PROCEDURE

The Governing Board recognizes that the district is primarily responsible for complying with applicable state and federal laws and regulations governing educational programs. The district shall investigate complaints alleging failure to comply with such laws and/or alleging discrimination and shall seek to resolve those complaints in accordance with the district's uniform complaint procedures.

The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination against any protected group as identified under Education Code 200 and 220 and Government Code 11135, including actual or perceived sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability, or age, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any district program or activity that receives or benefits from state financial assistance.

Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and career technical and technical training programs, child care and development programs, child nutrition programs, and special education programs. Complaints related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, and teacher vacancies and misassignments shall be investigated pursuant to the district's Williams uniform complaint procedure

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee, on a case-by-case basis.

The Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

The Governing Board designates the following compliance officer(s) to receive and investigate complaints and to ensure district compliance with law:

Superintendent/Principal-Ryan Robison

Mail: P. O. Box 498

Physical: Acacia Ave, Sutter CA. 95982

Phone (530) 822-5161 Fax (530) 822-5168

Further information and forms for filing a complaint are available in the Sutter Union High School District Office free of charge.

UNIFORM COMPLAINT PROCEDURE

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance by the district. Complaints alleging unlawful discrimination may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint must be initiated no later than six months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination. The complaint shall be presented to the compliance officer who shall maintain a log of complaints received. If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other disabilities, district staff shall help him/her to file the complaint.

Step 2: Complaint Resolution

The district encourages the early, informal resolution of complaints when appropriate and whenever possible. The compliance officer may informally discuss with the complainant the possibility of using mediation.

Step 3: Investigation of Complaint

The compliance officer shall hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. The complainant and/or his/her representative and the district's representative may interview individuals who may possess information pertinent to the complaint.

Step 4: Official Response

Within 30 days of formally receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five days, file his/her complaint in writing with the Board. Such a filing shall include the specific facts that comprise all of the facts that cause the complainant to feel the response is not satisfactory, and all of the main reasons that cause the complainant to feel that the administrative response is unsatisfactory. The filing shall also factually identify what specific district actions would provide an appropriate remedy to the complaint. The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision is final.

Step 5: Final Written Decision and Conclusions

The report of the district's decision shall be written in English and in the language of the complainant whenever feasible or required by law. If it is not feasible to write this report in the complainant's primary language, the district shall arrange a meeting at which a community member will interpret it for the complainant. This report shall include:

1. The findings of facts, and disposition of the complaint, including corrective actions, if any.
2. The rationale for the above disposition
3. Notice of the complainant's right to appeal the decision to the California Department of Education, and procedures to be followed for initiating such an appeal
4. For discrimination complaints, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies (5 CCR 4631; Education Code 262.3)

5. A detailed statement of all specific issues that were brought up during the investigation and the extent to which these issues were resolved.

If an employee is disciplined as a result of the complaint, this report shall simply state that corrective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the district's decision, the complainant may appeal in writing to the California Department of Education within 15 calendar days of receiving the district's decision.

Civil Law Remedies

Civil law remedies may be pursued through local, state or federal aid agencies, offices, or private/public interest attorneys. These avenues may result in civil remedies or agreements rather than the administrative remedies resulting from the district or the California Department of Education process.

WELCOME

Welcome to Sutter Union High School

I have eagerly anticipated the students return, our campus is not the same without their enthusiasm, smiling faces and laughter. This is the start of an exciting new school year.

Your student is a member of a school of which you can be very proud. Since 1893, Sutter High has had the reputation of being the “class” school of Northern California in all areas of school life.

I am very proud of all of our students. They have tremendous potential. I believe they are the best, and they deserve to have the best possible educational experience. I care about each of them and want them to have a successful life. Because I care, Sutter Union High School will hold them to a high standard. A common thread, **Citizenship**, will bind our **Academic**, **Athletic** and **Extracurricular** programs. Together we will do our share to make our school and community better.

The school is a reflection of the combined efforts of students, parents, faculty, classified staff, administration and many others who contribute to our total school community. We have a beautiful campus and a dedicated and enthusiastic faculty and staff who are here to help.

Please keep this manual as a resource for this school year. It is designed to help establish a learning environment that will allow your student to achieve his/her educational goals. As the school year progresses, please remember that my office is open to all. If you have questions, concerns, or just want to say hello, do not hesitate to see me.

I want your student to have a great school year!

ATTENDANCE

With the passage of SB727 effective July 1, 1998, the State of California will no longer recognize excused absences for the purpose of determining ADA funding. All absences are considered unexcused. The goal of this bill is to increase actual attendance. The most important factor for success in school is regular attendance. However, we realize that there will be times when you will be absent. Therefore, the following rules have been established. If you have been absent from school, you must obtain an Admit Slip before you are allowed to return to class. Admit Slips are issued in the office before school and your note must contain the following information:

1. Date note was written and student's name
2. Number of days and exact dates the student was absent
3. Exact reason for absence (Appropriate verification to make up homework).
4. Signature of parent or guardian (Signed appointment card verifying time and date)
5. Phone number where parent or guardian can be called that day

Waiting in line for an Admit Slip is not an excusable reason to be tardy. Admit Slips are issued beginning at 7:30 a.m. Get them EARLY. Losing an Admit Slip and getting an extra copy in the office is not an excusable tardy. Detention will be assigned to those who fail to follow this procedure!

LEAVE OF GROUNDS—BLUE SLIP

If you need to leave school before the end of the school day for any reason, you must first report to the attendance office and get a BLUE SLIP. **If you fail to check out properly, you will be given a cut.** A BLUE SLIP is issued only by members of the administration staff in the front office. If you are away from school on a leave of grounds permit you must have your copy of the Blue Slip signed by your parents, a doctor, dentist, or other responsible adult and return the copy to the attendance office as soon as you return to school. At this time an ADMIT SLIP will be issued to you explaining the reason for your absence. If you fail to have your copy of the leave of grounds signed, a cut note pending will be issued until the signed copy is presented to the attendance office.

If you leave at lunch time and do not return for afternoon classes, you will receive an AUTOMATIC CUT unless your parent/guardian calls prior to 1:15 p.m. to excuse you.

“STUDENTS ABSENT FOR ANY PORTION OF THE DAY MUST REPORT TO THE ATTENDANCE OFFICE UPON THEIR RETURN PRIOR TO ATTENDING CLASS OR PARTICIPATING IN SCHOOL ACTIVITIES”

NO ABSENCE MAY BE CLEARED AFTER 1:15 ON THE DAY OF THE ABSENCE. (12:50 ON RALLY BELL SCHEDULE)

To report an absence call: 822-5161 ext. 215

SPECIAL PERMISSION

There may be times when you parents or guardian may feel that it would be desirable for you to miss school for other than valid reasons. If this situation arises, your parent or guardian may, (at the discretion of the Administration), receive special permission for you to be absent.

If special permission is granted, you may make up your homework as if it were a valid absence. Special permission must be granted in advance.

ABSENCES REGARDING EXTRACURRICULAR ACTIVITIES

Special Permission to participate must be obtained BEFORE 8:30 a.m. on the day of the absence.

If you are absent any portion of the school day for any reason without having been granted Special Permission, you are not allowed to participate in any extracurricular activity that day. This includes athletics, cheerleading, drama, and any class or club activity.

Saturday School may be assigned to students who 1.) are truant, 2.) have excessive absences, 3.) have excessive tardies and/or 4.) fail to serve detentions, 5.) Fail to make adequate academic progress.

CORRIDOR PASSES

Teachers may issue a corridor pass for various justifiable reasons. This privilege will be revoked if abused. Members of the staff will, from time to time, check on students who are out of class on passes to see if their excuses warrant the time missed from class. Students out of class without a pass may be assigned after school detention.

VISITOR'S PASS

All visitors, during school hours, must obtain a visitor's pass from the main office and are expected to adhere to the same rules of conduct as set forth for students. Students who want to bring visitors to school during the regular school day must receive permission from the Administration at least one day in advance. Please see the Vice-Principal for criteria.

TRANSFERRING OUT OF SCHOOL

If you leave school permanently due to moving away, entering the service, or enrolling in another school, go to Mrs. Ehrk's office and obtain a "check-out" slip. This will be issued only after written notification has been made to the school by your parents requesting the transfer, stating destination and time of departure. The withdrawal must be signed and returned to the attendance office. Falsification of a note or any other school form is grounds for immediate suspension.

VALID ABSENCE (Allowed to make up any missed assignments.)

Absences due to your personal illness, doctor appointments, dental appointments, court or funeral of a member of your immediate family will be classified as valid IF, and only if, the following criteria are met:

- Illness 1 or 2 days Verified by parents.
- Illness 3 or more days may require verification in writing by doctor office.
- Medical Appointment may require verification in writing by doctor office.
- Funeral -Verified by parents.

If you fail to verify your absence, you will not be allowed to make up missed assignments.

INVALID ABSENCE (Not allowed to make up any missed assignments.)

If you are absent for other than valid reasons, you will not be able to make up school work missed during the absence.

TRUANCY ABSENCES

If you are absent without the knowledge and consent of your parents, you will receive a TRUANCY ABSENCE (CUT) and will be subject to the following penalties:

1. Current quarter attendance points earned in class are lowered 50% for each cut.
2. One hour of detention for each class period cut will be assigned.
3. Failure to serve detention will result in in-house suspension.
4. Homework missed because of truancy absences cannot be made up.

CUT NOTE PENDING

If you do not bring a note stating the reason for your absence which is signed by your parent or guardian, you will receive a cut-note-pending. If you do not clear the cut-note-pending the next time you return to school, you will be assigned one hour of detention. If you do not clear the cut-note-pending within three (3) days, the absence will become a cut, your quarter attendance points will be lowered 50% and you will be assigned one hour of detention for each class period missed.

TARDINESS

You have the responsibility of getting to the classroom with all of your required study material and being prepared to study when the final passing bell rings. You have five minutes to accomplish these tasks and if you fail to do this, then you are tardy. If you are tardy, you are subject to the following:

1. First tardy: Detention with the teacher during the independent study period.
2. For all succeeding tardies during the current semester, you will be assigned one hour of detention in the main detention room.
3. For each accumulation of three (3) tardies, you will automatically receive a 50% reduction in your quarter attendance points. You can redeem the 50% grade reduction by serving an additional three (3) hours of after school detention. It is your responsibility to serve and report to the Vice Principal after the third hour to obtain a TARDY REDEMPTION FORM.

4. Parents or guardian are notified by mail EACH time you are tardy.
5. More than 5 minutes late to class will result in an absence for periods 2-7
6. Students arriving to school after 8:00 but before 8:30 will be considered TARDY
7. THERE WILL BE NO NON-SCHOOL INITIATED EXCUSED TARDIES
8. At the beginning of each new semester, you start with no tardies.

DISCIPLINE

DISCIPLINE Students of all ages have one thing in common: A few of them break the rules of the school that they attend. The vast majority of incidents requiring the disciplining of students are settled within the school system. However, instances of students soliciting the assistance of the courts in their efforts to have adverse decisions by school authorities reversed are not uncommon. The perplexity of this type of problem is a familiar one. Schools must have the authority to establish and enforce both academic and disciplinary rules to further their efficient operation, while the student charged with a violation of these rules has the opposing interest of protecting himself or herself from being unreasonably deprived of his or her civil liberties and educational opportunities. In California, the Legislature has given school authorities the power to maintain discipline in order that the public school system may function in accordance with its intended purpose. In like manner, the Education Code provides that all students in public schools must comply with the regulations, pursue the required courses of study, and submit to the authority of the teachers (Education Code Section 38921). The code further provides that teachers must enforce the course of study, the use of legally authorized textbooks and the prescribed rules and regulations (Education Code Section 44805) and that they must hold students to a strict account for their conduct on the way to and from school, on playgrounds, and during recess (Education Code Section 44807). A teacher stands *in loco parentis* to pupils under his/her charge and may exercise such powers of control, restraint and correction as may be reasonably necessary to enable the teacher properly to perform the duties of a teacher and to accomplish the purposes of education. If the teacher is unable to gain the cooperation of certain individuals, the offenders will be sent to the Vice-Principal's office. Students sent to the office will be dealt with according to the seriousness of the situation.

- **Students found possessing, using, selling, or otherwise furnishing or being under the influence of a restrictive drug or paraphernalia shall be recommended for expulsion.**

MINOR RULE VIOLATIONS

For a minor violation of school rules in the classroom, you will serve detention during independent study period under the supervision of the teacher in whose class the rule was violated. Students who refuse to serve detention are subject to suspension. In cases where individual teachers feel that they need further assistance in dealing with your behavior, they will refer you to the Vice-Principal. The first referral will result in a conference with the Vice-Principal and an appropriate level of disciplinary action. All succeeding referrals will be evaluated on their merits and will result in an increasing level of disciplinary action.

LIBRARY

SUTTER HIGH SCHOOL LIBRARY

The mission of the Sutter High School Library is the creation of successful, enthusiastic, readers and learners with college career readiness. Music and movies already contain labels about content; books do not. The majority of books we purchase are from the Junior Library Guild, which reviews the titles. Others are selected from “What’s New in Young Adult Literature,” and include many titles that become medal winners or are made into movies. Young adult literature titles are, by definition, intended for ages 12-18. Although most middle schools, as well as high schools, have young adult titles on their shelves, some may contain more mature themes or content. Please get to know the library and the library collections. These are available to every student in grades 9-12 unless parental restriction has been given in writing. You can access the library catalog by going to the Sutter High School website.

The library will be open from 7:00 A.M. to 3:30 P.M. for your student use as well as parents, and teachers. All magazines, books, etc., may be checked out for two weeks and renewed if needed. The fines for overdue books and other materials will be \$.05 each night. You are responsible for lost or damaged materials and will be charged for them. You must have an identification card, at all times, to be used to check out textbooks and library materials. It is your responsibility to verify material checked in/out at the time of transaction.

In addition, these regulations shall establish the fact that users have no expectation of privacy and that district staff may monitor or examine all system activities to ensure proper use of the system. Students who fail to abide by district rules shall be subject to disciplinary action, revocation of the user account and legal action as appropriate.

Because the Internet contains an unregulated collection of resources, the district cannot guarantee the accuracy of the information or the appropriateness of any material that a student may encounter. Therefore, before using the district's on-line resources, each student and his/her parent /guardian shall sign and return a Technology Contract. This contract shall specify user obligations and responsibilities and shall indemnify the district for any damages. The parent/guardian shall agree to not hold the district responsible for materials acquired by the student on the system, for violations of copyright restrictions, users' mistakes or negligence or any costs incurred by users. Staff shall supervise students while using on-line services and may ask teacher aides and student aides to assist in this supervision.

At the beginning of each school year, parents/guardians shall receive a copy of the district's policy and Technology Contract regarding access by students to the internet and on-line sites. (Education Code 48980) The principal or designee shall oversee the maintenance of each school's technological resources and may establish guidelines and limits on their use. He shall ensure that all students using these resources receive training in their proper use.

On-Line/Internet Services: User Obligations and Responsibilities

Students are authorized to use the district's on-line services in accordance with user obligations and responsibilities specified below and in accordance with Board policy and the district's Technology Contract.

1. The student in whose name an on-line services account is issued is responsible for its proper use at all times. Users shall keep personal account numbers, home addresses and telephone numbers private. They shall use the system only under their own account number.
2. The district's system shall be used only for purposes related to education. Commercial, political and/or personal use unrelated to an educational purpose is strictly prohibited.
3. The district reserves the right to monitor any on-line communications for improper use. Electronic communications and downloaded material, including files deleted from a user's account, may be monitored or read by district officials.
4. The use of the district's system is a privilege, not a right, and inappropriate use shall result in a cancellation of those privileges.

5. Students are prohibited from accessing, posting, submitting, publishing or displaying harmful matter or material that is threatening, obscene, disruptive or sexually explicit, or that could be construed as harassment or disparagement of others based on their race, national origin, sex, sexual orientation, age, disability, religion or political beliefs. Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes in a patently offensive way sexual conduct and which lacks serious literary, artistic, political or scientific value for minors. (Penal Code 313)
6. Users shall not use the system to encourage the use of drugs, alcohol or tobacco, nor shall they promote unethical practices or any activity prohibited by law or district policy.
7. Copyrighted material may not be placed on the system without the author's permission. Users may download copyrighted material for their own use only.
8. Vandalism will result in the cancellation of user privileges. Vandalism includes the intentional uploading, downloading or creating computer viruses and/or any malicious attempt to harm or destroy district equipment or materials or the data of any other user.
9. Users shall not read other users' mail or files; they shall not attempt to interfere with other users' ability to send or receive electronic mail, nor shall they attempt to delete, copy, modify or forge other users' mail.
10. Users shall report any security problem or misuse of the services to the teacher or principal.
11. It shall be the responsibility of the parent/guardian to contact the school to disallow their student's picture from appearing on the web site. The principal/designee shall make all decisions regarding whether or not a user has violated these regulations and may deny, revoke or suspend a user's access at any time. The decision of the principal or designee shall be final.

SCHOOL ACTIVITIES

SCHOOL ORGANIZATIONS

Sutter High School offers a wide variety of clubs and organizations for students interested in extracurricular activities. School life is much more enjoyable if students become active and participate in your area of interest. Students must maintain a minimum of a 2.0 grade point average with no "F" grades to be eligible for participation in school clubs and organizations. Eligibility is based on the following grading periods: (1) 1st quarter, (2) 1st semester, (3) 3rd quarter, (4) 2nd semester. At progress report time, grades of ineligible students are checked. If the GPA has been brought up to a 2.0 with no "F's" the student may apply for academic probation.

Students are allowed only one probationary period during his/her high school career. While on probation the student must:

1. Present a grade check to his/her advisor at the end of the school day each Thursday and be academically eligible for the subsequent week (a) Receive no class cuts. If the student is on probation and receives a class cut, he/she will again be ineligible for the remainder of the current quarter. (b) Receive no disciplinary referral for a Major Rule Violation nor be subject to a three day suspension for Minor Rule Violations. If the student violates this stipulation, he/she will again be ineligible for the remainder of the quarter.
2. Eligibility status for the current grading period will be established by the first Thursday following the Tuesday that grades are submitted to the Counseling Office.
3. An incomplete grade does not disqualify a student unless the percentage grade is 59% or below. Students have one day for each day of excused absence to make up an incomplete grade at the end of the grading period. New eligibility status becomes effective immediately upon receiving a grade in place of the incomplete.
4. If the student violates any policy which causes him/her to be dropped from a club or organization, he/she will be ineligible for any awards or attendance at banquet, etc. THIS POLICY INCLUDES ANY STUDENT WHO FAILS THE GRADE ELIGIBILITY REQUIREMENT.

Students interested in joining a club or organization should contact the Advisor or the Vice Principal. The following are duly constituted clubs and organizations:

Student Recreation Association	Cheer Squad
FFA (Future Farmers of America)	Drama Club
California Scholarship Federation	Block S Society
DECA	Student Council
Youth Alive	Interact Club
CREATE	Friday Night Live
HAM Radio Club	Key Club

ACTIVITY & CLASS MEETING SCHEDULE

Activity and Club meetings take place during lunch, after school and occasionally in the evenings. Schedules will be established each school year.

EXTRA CURRICULAR ACTIVITIES

It is mandatory that all students participating in extra-curricular activities purchase an Associated Student Body (ASB) card.

ATTENDANCE/EXTRACURRICULAR ACTIVITIES

Students absent any portion of the school day for any reason without having been granted Special Permission may not participate in any extracurricular activity that day. This includes athletics, cheer-leading, and any class or club activities. *Special permission to participate must be obtained before 8:30 A.M. on the day of absence.*

ASSEMBLIES

From time to time throughout the school year **STUDENTS AND FACULTY** go to the gymnasium for an assembly. Student assemblies are conducted as part of the total educational experience at Sutter Union High School and all students are required to attend. Seating at assemblies will be by classes with Advisors. The Freshman Class sits in the south section of the east bleachers, the Sophomore Class sits in the north section of the east bleachers, the Junior Class sits in the south section of the west bleachers and the Senior Class sits in the north section of the west bleachers. An assembly is not a rally and there should be applause to express approval. Stomping of feet, booing, whistling, talking and other improper behavior will not be tolerated at Sutter High School. Students will remain seated until dismissed. We realize that visitors, performers, and parents judge our school by student conduct at assemblies. We expect students to leave a good impression.

RALLIES

Prior to many home games during football and basketball seasons, the student body adjourns to the gymnasium for a Pep Rally. **ALL STUDENTS MUST ATTEND RALLIES UNLESS EXCUSED BY THE ADMINISTRATION.** Proper conduct and good sportsmanship are an important part of the rally and of good school spirit. Students will participate by following the direction of the Cheerleaders, and others charged with conducting the events.

SCHOOL DANCES

Dances at Sutter Union High School are sponsored by various organizations under the direction of advisors and the administration. These guidelines will be observed:

1. All students attending the dance must have a school ID in order to be admitted.
2. Doors close at 9:00p.m. or 30 minutes after the conclusion of an athletic contest.
3. All school dances are over no later than 12:00 midnight (8:00p.m.-11:00p.m. or 9p.m.-11:30 p.m.)
4. Two advisors will be in attendance at all times. In addition, security is on duty.
5. Guests bids shall be turned in to the Vice-Principal's office by 3:30 p.m. on the Wednesday prior to the dance. This bid is not valid unless approved and signed by both the vice principal of both SUHS and the school where the guest attends. Bid must be completed in its entirety to be valid. Please attach guest's vice-principal's business card to this bid. If guest has graduated from high school, speak to an administrator prior to submittal of this bid.
6. Guests who are out of high school will only be allowed to attend *Prom or Winterball*.
7. Students are not permitted to leave the dance and return for any reason. Once a student leaves the dance, they are not permitted to loiter on school grounds.

NOTES FROM THE COUNSELING OFFICE

College Information Night

Each year, Sutter High School has a *College Information Night*. All students and parents are encouraged to attend. It is an evening where representatives from different colleges speak about their schools and share information about college, scholarships, entrance requirements, housing and required entrance tests. Time will be set aside for a question and answer period. All students and parents will receive invitations to attend this important and informative evening.

PSAT/NMSQT TESTING

The Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is a practice test, administered at Sutter High School, will help a student prepare for the SAT I. Although only juniors compete for scholarships, both college bound sophomores and juniors are encouraged to take the test. The test is co-sponsored by the College Board and the National Merit Scholarship Corporation. Information from the PSAT can be used to estimate a student's performance on the College Board's Scholastic Aptitude Test (SAT I), which is required for admission to many colleges. The PSAT is also the qualifying test students must take to enter the nationwide scholarship competitions conducted by the National Merit Scholarship Corporation. Students who wish to take the PSAT test should sign up and pay the test fee in the Main Office.

Seniors: College Applications

College applications to State Universities and University of California system are accepted only after October 1st. The applications received between October 1st and November 30th are treated equally. Those received after November 30th are considered in order of receipt. Students planning to attend a Community College need not apply until April, except when applying to impacted programs.

Financial Aid and Scholarships Information

Financial Aid/Work Study Programs:

In December, a Financial Aid Packet will be available at the Counseling. It will include the Free Application for Federal Student Aid (FAFSA). This single application is used to apply for State, Federal, and College Based financial aid. The deadline for filing this application is March 1st. **Parents are encouraged to file the FAFSA via the internet.**

General Scholarships:

At the beginning of each year, the Counseling Office provides handouts which list many of the scholarships and possible scholarship sources. This information is also available at the on-line Counseling Office (www.sutterhigh.k12.ca.us). As scholarship applications become available at the Counseling Office, the information and deadline is placed in the bulletin and posted in the senior social studies room. Parents are encouraged to help students with the financial aid/scholarship process.

Local Scholarships:

Local Scholarships are scholarships available only to Sutter High School seniors. Students must fill out the local scholarship application, available at the Counseling Office after the semester break. The application, with three letters of recommendation, must be returned to the Counseling Office by the designated deadline.

College Board Admissions Testing Program

Application forms for both the SAT I/II and ACT tests are available in the counseling Office. All colleges (not community colleges) and universities require all applicants to take either the SAT I or the ACT. The UC system also requires students to take the SAT II (achievement tests). All college bound students are encouraged to take either or both of these tests at the end of their junior year and/or the beginning of their senior year. Because the tests are very different, you are likely to score better on one of them. Colleges only use the student's best scores.

The cashier will inform the student when their balance is getting low. ***Students must provide their ID CARD to process their breakfast or lunch order. NATIONAL SCHOOL LUNCH & BREAKFAST PROGRAM 2018-2019

Dear Parent or Guardian:

Sutter Union High School District takes part in the National School Lunch Program and School Breakfast Programs. **Meals are served every school day.** Students may buy lunch and breakfast. Eligible students may receive meals free or at a reduced price.

- If you now get Food Stamps, California Work Opportunity and Responsibility to Kids (CalWORKs), Kinship Guardianship Assistance Payments (KinGAP), or Food Distribution Program on Indian Reservations (FDPIR) benefits, your child may receive free meals.
- If your total household income is the same or less than the amounts on the income scale below, your child may receive meals free or at a reduced price. Household means a group of related or non-related individuals who are living as one economic unit and sharing living expenses. Living expenses include rent, clothes, food, doctor bills, and utility bills.
- A foster child who is the legal responsibility of the welfare agency or court may be eligible to receive meals free or reduced price price regardless of your income. Foster children must have a separate application from other children in your household, and their eligibility is based on their "Personal Use Income."

HOW TO APPLY

Complete and sign the attached Application for Free and Reduced Price Meals or Free Milk, sign it, and return it to the school as soon as possible. The application cannot be approved and may be returned if it contains incomplete eligibility information.

FOOD STAMP, CalWORKs, KinGAP and FDPIR HOUSEHOLDS—If you now get Food Stamp, CalWORKs, KinGAP, or FDPIR benefits or your child(ren), list each child's name, and your Food Stamp, CalWORKs, KinGAP or FDPIR case number. **AN ADULT HOUSEHOLD MEMBER MUST SIGN THE APPLICATION.**

FOSTER CARE CHILDREN or CHILDREN PLACED IN OUT-OF-HOME CARE—Complete a separate application for each child who is the legal responsibility of the welfare agency or is a ward of the court. Write the name of the child and the specific school the child attends. If the child receives personal-use income, list the amount of income. "Personal-use income," is (a) money given by the welfare office identified by category for the child's personal use, such as clothing, school fees and allowances; and (b) all other money the child receives, such as money from family and earnings from full-time or regular part-time employment. **The foster parent or agency official must sign the application.**

ALL OTHER INCOME HOUSEHOLDS (wages, salary, pensions, etc.)—If you do not list a Food Stamp, CalWORKs, KinGAP, or FDPIR case number for each student listed on the application, you must enter:

- The names of all the school-age children in your household and the school(s) they attend.
- The names of all other children in your household who do not attend school.
- The names of all the adults (21 years and older) and other household members, the amount each person received last month, and the source of income.
- The social security number of the adult household member who signs the application or indicate "none" if the adult does not have a social security number.

An application must be completed, with all household members and incomes listed, for a child who is living with relatives or friends, whether or not the child is a ward of the court.

An adult household member must sign the application.

INCOME TO REPORT

CURRENT INCOME—The amount of income each household member received last month, before taxes or anything else is taken out, and where it came from, such as earnings, welfare, pensions, and other income. If any amount last month was more or less than usual, write the usual monthly income or project the annual income. To figure monthly income: Weekly x 4.33; every two weeks x 2.15; twice a month x 2.

<u>EARNINGS FROM WORK</u>	<u>WELFARE CHILD SUPPORT ALIMONY</u>	<u>PENSIONS RETIREMENT SOCIAL SECURITY</u>	<u>ALL OTHER INCOME</u>
Wages, salaries and tips, strike benefits, unemployment compensation, workers' compensation, net income from self-owned business or farm	Public assistance payments, welfare payments, alimony, and child support payments.	Pensions, supplemental security income, retirement payments, Social Security Income (SSI) (including SSI a child receives).	Disability benefits; cash withdrawn from savings; interest and dividends, income from estates, trusts, and investments, regular contributions from persons not living in the household; net royalties, and annuities, net rental income; any other income.

FOOD DISTRIBUTION PROGRAM ON INDIAN RESERVATIONS (FDPIR)—Households participating in the FDPIR are categorically eligible for free meals or milk. The FDPIR is authorized by Section 4(b) of the Food Stamp Act of 1977. Under this section, eligible households may elect to participate in either the Food Stamp Program *or* the FDPIR. Since households are afforded the option to participate in either program, FDPIR households have been determined to receive the same categorical benefits as Food Stamp households.

SOCIAL SECURITY NUMBER—The application must have the social security number of the adult who signs it. If the adult does not have a social security number, write "none" or something else to show that the adult does not have a social security number. If a Food Stamp, CalWORKs, KinGAP, or FDPIR case number for the child is listed, or if the application is for a foster child, a social security number is not required.

REPORTING CHANGES—If your child is approved for free or reduced priced meals, you must tell the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size becomes smaller. Also, if you list a Food Stamp, CalWORKs, KinGAP, or FDPIR case number, you must tell the school when you no longer receive Food Stamp, CalWORKs, KinGAP, or FDPIR benefits.

APPLYING FOR BENEFITS—You may apply for benefits at any time during the school year. If you are not eligible now but your income goes down, you lose your job, your family size becomes larger, or you become eligible for Food Stamp, CalWORKs, KinGAP, or FDPIR benefits, you may submit an application at that time.

VERIFICATION—School officials may check the information on the application at any time during the school year. You may be asked to send information to prove your income, or current eligibility for Food Stamp, CalWORKs, KinGAP, or FDPIR benefits. Refer to the application for more detailed explanation.

MEALS FOR DISABLED—If you believe your child needs a food substitute or texture modification because of a disability, please contact the school. A child with a disability is entitled to a special meal at no extra charge if the disability prevents the child from eating the regular school meal.

NONDISCRIMINATION—Children who receive free or reduced-priced meals must be treated in the same manner as those children who pay full price for their meals.

FAIR HEARING—If you do not agree with the school's decision regarding your application or the result of verification, you may discuss it with the school. You also have the right to a fair hearing. A fair hearing may be requested by calling or writing the following school official:

NAME: Ryan Robison, Superintendent
 ADDRESS: Sutter Union High School District
 P. O. Box 498, Sutter, CA 95982
 TELEPHONE: 530 822-5161 ext. 205

CONFIDENTIALITY—Family size, household income, and social security number information will remain confidential and will not be shared for any purpose. Information you provide will determine your child(ren)'s eligibility to receive free or reduced-price meals.

If you have any questions or need assistance in completing the application, please contact:

NAME: **Kay Holcomb, Food Service Coordinator**
 ADDRESS: **Sutter Union High School**
P. O. Box 498
Sutter, CA 95982
 TELEPHONE: **530 822-5161 ext. 303**

You will be told by the school when your application has been approved or denied for free or reduced price meals.

Sincerely,

Kay Holcomb

SECTION VII
ATHLETIC
INFORMATION

VICTORY WITH HONOR

Dear Parents:

Your role in the education of your student is vital. The support you show in your home is often manifested in the ability of your student to accept the opportunities presented at school and in life.

There is a value system - established in the home, nurtured in the school - that young people are developing. Their involvement in classroom and other activities contribute to that development. Trustworthiness, citizenship, caring, fairness and respect are lifetime values taught through athletics. These are the principles of good sportsmanship and character. With them, the spirit of competition thrives, fueled by honest rivalry, courteous relations and graceful acceptance of the results.

Sutter High School promotes **VICTORY WITH HONOR** You can too—

Realize that athletics are part of the educational experience, and the benefits of involvement go beyond the final score of a game;

Encourage your student to perform his/her best, just as you urge them on with their class work;

Participate in positive cheers that encourage student-athletes; and discourage any cheers that redirect that focus - including those that taunt and intimidate opponents, their fans and officials;

Learn, understand, and respect the rules of the game, the officials who administer them and their decisions;

Respect opponents as student-athletes, and acknowledge them for striving to do their best; and develop a sense of dignity and civility under all circumstances.

The leadership role you take helps influence your child and our community for years to come.

We look forward to serving you in the year ahead and appreciate your continued support.

Sincerely,

Rick Giovannoni
Vice-Principal/Athletic Director

ATHLETIC POLICY

ALL STUDENTS WHO PARTICIPATE IN EXTRA-CURRICULAR ACTIVITIES MUST PURCHASE AN ASSOCIATED STUDENT BODY (ASB) CARD.

Athletics at Sutter High School are regulated to meet educational objectives that provide a major contribution to fitness of the participant through (1) development of, and appreciation for, health and physical fitness; (2) learning the “give and take” essential to environment adjustment, and appreciating the values of sportsmanship and cooperation in good citizenship; and (3) gaining self-reliance and understanding the necessity for hard work and self-discipline in order to be prepared for the future.

We, the coaches in the athletic program at Sutter High School, assert our belief in the worth of athletics as a major contribution to the physical and moral stature of young people. It is our intent to provide an opportunity for athletic participation to as many students as possible.

RULES:

1. All student-athletes will be required to maintain a 2.00 grade point average with no more than one “F”.
2. If a student shall fall below a 2.0 or receive more than one “F”.
3. The grade point average from the fourth quarter of the preceding year shall be used for fall athletes. Courses taken and grades earned in summer school may be included.
4. **School policy states that any student who is absent for any portion of the school day, without special permission in advance of being absent, is not eligible to participate in any extra-curricular activity for that day.**
5. If a player quits a sport without justifiable reason or without consent of the coach, he/she shall be ineligible for the rest of the season and 1/3 of the actual contests played of the next sport in which he/she participates. (1) A player may quit or drop a sport if he/she has the coach’s permission. A player may change from one sport to another if he/she has the permission of both coaches involved. (2) An athlete who has not participated in a particular sport before may be given a two week trial period to determine whether he/she wishes to continue. (3) An athlete who skips practice three times without prior permission from his/her coach shall be judged to have quit the team.
6. An athlete who violates any athletic policy which causes the athlete to be dropped from the team during the sport season SHALL be ineligible for any post season athletic awards or attendance at banquets, etc. **THIS POLICY INCLUDES ATHLETES WHO FAIL THE GRADE ELIGIBILITY REQUIREMENT.**
7. An athlete will not be issued any athletic equipment if he/she still has equipment checked out from a previous sport.
8. Any use or possession of illegal drugs will result in the elimination of the athlete from athletic participation in accordance with school district policy.
9. A student who is caught using or in possession of alcohol or tobacco, will be ineligible for the rest of the season and 1/3 of the actual contests played of next sport in which they participate. If the student is not on a team when they violate the rule, they will be ineligible for 1/3 of the actual contests played of the next sport in which they participate.

10. A second infraction will result in a full one year suspension for athletic contests.
11. A student who quits a sport will be ineligible for the rest of the season and 1/3 of the actual contests played of the next sport in which they participate. If the student is not on a team when they violate the rule, they will be ineligible for 1/3 of the actual contests played of the next sport in which they participate.
12. An athlete who is ineligible at the beginning of a sport season MUST attend regular practices in that sport at the beginning of the season and continue to participate until the athlete becomes eligible or until the next quarter grading period. If the athlete becomes eligible at that time, he or she may participate as a full member of that team and will be allowed to participate in all post season awards, banquets, etc. During that period of ineligibility (although attending practices) the athlete SHALL NOT travel to contest on the team bus or sit with the team at the contest.
13. There will be an Athletic Committee consisting of the Athletic Director, the Head Coach, and the Vice-Principal, who will review disciplinary procedures.
14. Dress: Athletes will be expected to dress appropriately for all athletic activities.
15. Athletes are responsible for all equipment issued to them. If equipment is lost or not returned at the end of the season, the athlete and his parents will be billed for the replacement cost.
16. An athlete who earns a letter and/or other award **must** be present at the Awards Banquet to receive the award or have **prior permission** from the coach or administration to be excused.
17. An athletic policy will be read and signed, each year, by students and parents before the student participates in any sports.

COMMUNICATIONS BETWEEN PARENTS AND COACHES

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to students.

COMMUNICATIONS YOU SHOULD EXPECT FROM YOUR CHILD'S COACH

1. Philosophy of the coach.
2. Expectations the coach has for your child.
3. Location and times of all practices and games.
4. Team requirements. i.e. practices, special equipment, out of season training.
5. Procedures to follow should your child be injured during participation.
6. Discipline that may result in the denial of your child's participation.

COMMUNICATIONS THAT COACHES EXPECT FROM PARENTS:

1. Concerns expressed directly to the coach.
2. Specific concerns with regard to a coach's philosophy and/or expectations.
3. Notification of any illness or injury or missed practices.

APPROPRIATE CONCERNS TO DISCUSS WITH COACHES:

1. Treatment of your child, mentally and physically.
2. Ways to help your child improve.
3. Concerns about your child's behavior.

It is very difficult to accept your child not playing as much as you may hope. Coaches are teachers. They make judgement decisions based on what they believe to be best for all students involved. As you have seen from the above list, certain things can and should be discussed with the coach. Other things, such as the ones listed on page 5, must be left to the professional judgement of the coach.

ISSUES NOT APPROPRIATE TO DISCUSS WITH THE COACH:

1. Playing time
2. Team strategy
3. Play calling
4. Other student athletes

There are often situations that may require a conference between the coach and the parents. The student athlete will be invited to and involved in these meetings. To resolve the problem, we must have everyone's help and involvement. These meetings are encouraged.

IF THIS DOES NOT RESOLVE THE PROBLEM, THE PARENTS SHOULD:

1. Call the school and request a returned call or a face to face meeting with the coach.
2. Coaches will make time available in their day to meet with students and parents.

PARENTS MUST NOT:

3. Confront the coach before/after practice.
4. Confront the coach before or after a game.

Coaches are teachers. A parent would not walk into a classroom during class time and yell at the teacher about a poor grade, so please do not confront the coach in public. There are proper ways to communicate and have your concerns addressed. Practices and games are highly emotional times for everyone involved: players, coaches and parents. Meetings and concerns do not get resolved during emotional times.

WHAT TO DO IF THE MEETING IWTH THE COACH DID NOT PROVIDE A SATISFACTORY RESOLUTION:

Call the school's Athletic Director at 822-5161 x 204

The Athletic Director will attempt to mediate a resolution.

1. Treatment of your child, mentally and physically.
2. Ways to help your child improve.
3. Concerns about your child's behavior.

It is very difficult to accept your child not playing as much as you may hope. Coaches are teachers. They make judgement decisions based on what they believe to be best for all students involved. As you have seen from the above list, certain things can and should be discussed with the coach. Other things, such as the ones listed on page 5, must be left to the professional judgement of the coach.

ATHLETIC PHYSICALS

PHYSICALS:

Sutter High School provides athletic physicals to all students planning to participate in any sport at Sutter High School during the school year. The cost is \$10.

Physicals were conducted for returning athletes and incoming Freshmen before school was out in May. A make up day has been scheduled for all students who did not receive the physical at that time.

SPORTS PHYSICALS:

If your student has not had their physical you can choose to go to your own primary care doctor or you may go to Price Chiropractic. They are located at 471 Ainsley Avenue, Yuba City, CA 95991. You can also contact them at 755-3200. The cost is \$20. A sports physical *is required* to participate in sports.

Students who have not had the athletic physical and are planning to participate in Winter and Spring sports are encouraged to get their physical done as soon as possible.

If you have any questions, please contact the Athletic Director at Sutter High School **(530) 822-5161 ext. 204**

**SECTION VIII
INSURANCE
INFORMATION**

INSURANCE NOTIFICATION

Your child's school **DOES NOT** provide medical insurance coverage for school accidents. This means that **YOU ARE RESPONSIBLE** for the medical bills if your child gets hurt during school activities. A student accident/health insurance plan application will be distributed to students the first day of school. If you are interested in purchasing this insurance, please follow the instructions on the application.

Many coverage options are available. The Student Health Care and High Option 24-Hour Accident plans are especially recommended for those students with no other insurance because they provide the most help when injuries occur. Student Health Care covers illness as well as injury, 24 hours a day.

If your child does have other health coverage, student insurance may also be used to help pay those charges not covered by other insurance.

If you need an application before the start of school for sports activities, they are available in the office.

Insurance applications will be sent home with your child the first day of school.

QUESTIONS?????

- Review your brochure carefully.
- If you still have questions, call the plan administrator:

Bilingual representatives are available for parents who need assistance in Spanish.
