

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS

The Board of Trustees uses a comprehensive process to adopt district instructional materials that is based on selection criteria established by law and Board policy and includes opportunities for the involvement of parents/guardians and community members. Complaints concerning the content or use of instructional materials, including textbooks, supplementary instructional materials, library materials, or other instructional materials and equipment, shall be properly and fairly considered using established complaint procedures.

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

(cf. 6163.1 - Library Media Centers)

Parents/guardians are encouraged to discuss any concerns regarding instructional materials with their child's teacher and/or the Superintendent/Principal. If the situation remains unresolved, a complaint may be filed using the process specified in the administrative regulation.

The district shall accept complaints concerning instructional materials only from staff, district residents, or the parents/guardians of children enrolled in the district school.

When deliberating upon challenged materials, the Superintendent/Principal and/or review committee shall consider the educational philosophy of the district, the professional opinions of teachers of the subject and of other competent authorities, reviews of the materials by reputable bodies, the teacher's stated objectives in using the materials, community standards, and the objections of the complainant.

Complainants are encouraged to accept the Superintendent/Principal's or review committee's decision. However, if the complainant finds that decision unsatisfactory, he/she may appeal the decision to the Board.

(cf. 9322 - Agenda/Meeting Materials)

The district's decision shall be based on educational suitability of the materials and the criteria established in Board policy and administrative regulation.

(cf. 6144 - Controversial Issues)

(cf. 9000 - Role of the Board)

(cf. 9005 - Governance Standards)

When any challenged instructional material is reviewed by the district, it shall not be subject to further reconsideration for 12 months, unless the Superintendent/Principal determines that reconsideration is warranted.

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS (continued)

Complaints related to sufficiency of textbooks or instructional materials shall be resolved pursuant to the district's Williams uniform complaint procedure at AR 1312.4.

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS

Step 1: Informal Complaint

If a staff member, district resident, or parent/guardian of a student enrolled in the district school has a complaint regarding the content or use of any specific instructional material, he/she shall informally discuss the material in question with the Superintendent/Principal.

Step 2: Formal Complaint

If the complainant is not satisfied with the Superintendent/Principal's initial response, he/she shall present a written complaint to the Superintendent/Principal. Complaints regarding printed material shall name the author, title, and publisher and shall identify the objection by page and item numbers. In the case of nonprinted material, written information specifying the precise nature of the objection shall be given. Complainants shall sign all complaints and provide identifying information so that the district is able to make a proper reply. Anonymous complaints will not be accepted.

Upon receiving a complaint, the Superintendent/Principal shall acknowledge its receipt and answer any questions regarding procedure. The Superintendent/Principal then shall notify the teacher(s) involved of the complaint.

During the investigation of the complaint, the challenged material may remain in use until a final decision has been reached. However, upon request of the parent/guardian who has filed the complaint, his/her child may be excused from using challenged materials until a resolution has been reached. The teacher shall assign the student an alternate material of equal merit.

Step 3: Superintendent/Principal Determination

The Superintendent/Principal or designee shall determine whether a review committee should be convened to review the complaint.

If the Superintendent/Principal or designee determines that a review committee is not necessary, he/she shall issue a decision regarding the complaint.

Step 4: Review Committee

If the Superintendent/Principal or designee determines that a review committee is necessary, he/she shall appoint a committee composed of administrators and staff members selected from relevant instructional and administrative areas. The Superintendent/Principal or designee may also appoint community members to serve on the committee.

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS (continued)

The review committee shall review the criteria specified in Board policy and shall determine the extent to which the challenged material supports the curriculum, the educational appropriateness of the material, and its suitability for the age level of the student.

Within 30 days of being convened, the review committee shall summarize its findings in a written report. The Superintendent/Principal or designee shall notify the complainant of the committee's decision within 15 days of receiving the committee's report.

Step 5: Appeal to the Board of Trustees

If the complainant remains unsatisfied, he/she may appeal the Superintendent/Principal's or the review committee's decision to the Board. The Board's decision shall be final.
