

SUTTER UNION HIGH SCHOOL DISTRICT

19 COVID-School Re-opening Update

Thursday, November 12, 2020

Good Evening Parents, Students, Staff and Community,

I hope you and your families are well. No, it is not Friday evening already, it is still only Thursday. I am making my weekly phone call a day earlier this week. Tomorrow is also not Saturday, so you still have your Friday commitments. And yes, Cohorts B and D still have in-person instruction.

Thank you for helping mitigate the spread of COVID-19 in our school and community and for making our return to the classroom possible. As most of you know, the number of COVID-19 cases in Sutter County is on the rise. Our county is also on the verge of returning to the Purple Tier. Please continue to do your part to keep our kids in school and our businesses open.

Sutter Union High School District has made the decision to return to their RED-Distance Learning Only schedule for two weeks, beginning Monday, November 16th. We are choosing to return to our RED SCHEDULE as an attempt to get ahead of the growing COVID trend in our community. We believe that taking a pause at this time will put students and staff in a stronger position to successfully complete the first semester. We will return to our YELLOW in-person instruction schedule on, Monday, November 30th.

Breakfast and Lunch deliveries to Nuestro, Meridian and Winship/Robbins areas will resume next week, Monday through Friday. Meals can also be picked up in the Cafeteria Parking Lot between 8 and 1 pm. Meals are available for all students attending Sutter Union High School District. **Please Contact Mrs. Holcomb, Food Service Coordinator, 822-5161 Ext: 303, if you need any additional information.**

Please continue to check sutterhuskies.com for school and COVID-19 information.

Be safe, be prepared and take care of each other.

Sincerely,

Ryan Robison

Superintendent/Principal
