LIVE STREAMING

Attention students, are you looking for a fun new spring activity? Sutter Live Streaming is the club that live broadcasts sports and events for Sutter High. Our broadcast is viewed by over 500 people every time we go live on NFHS network. We are recruiting for the Spring sports season for students interested in attending sports games to live broadcast Football, Baseball, and other sports. Students that join will learn to operate Video Cameras, Live Action Replay Unit, Professional Video Mixing Boards, and more. We will train students new to camera operation and live streaming. Try out one club event with us, no commitments, and decide if you want to be a part of the Sutter Live Streaming team! **Contact Mrs. Lemette**
