

MHM / Mike Smith Civil Engineering Scholarship

The MHM / Mike Smith Civil Engineering Scholarship was established in 2019 by MHM Incorporated in recognition of Mr. Smith's significant contributions over the course of his career to the local Yuba-Sutter region in the areas of civil engineering and water management. This scholarship was established to provide financial assistance to students pursuing a major in civil engineering.

A maximum of two (2) scholarships (new or continuing) will be awarded each year to students accepted by a college or university with a Bachelor of Science in Civil Engineering (BSCE) program accredited by the Engineering Accreditation Commission of ABET, Inc.

Each of the two scholarships has an annual \$1,000 award per recipient to help defray tuition and expenses.

Deadline: May 1st (you will be notified by mail by May 15th regarding the status of your application)

Qualifications:

- Must be a high school senior or undergraduate college student
- Have attended or currently attending a school in either Yuba or Sutter County
- Must be majoring in civil engineering at a community college or four-year college/university in the fall
- Have a minimum cumulative GPA of 3.5 on a 4.0 scale
- Full time enrollment in 12 units or more is required during the academic year
- Students with full academic scholarships are not eligible to enter

Application Requirements:

- Complete the MHM / Mike Smith Civil Engineering Scholarship Application

Attachments to Application:

- Typewritten 200-word essay addressing why you have chosen a career in Civil Engineering and your career goals
- Copy of a letter of acceptance from an ABET-accredited Civil Engineering Program
- Copy of an official and recent high school and/or college transcript with cumulative grade point average
- Letter of Recommendation
